

Summer at Brickton: Discover Chicago (Ages 12-15)

Discover Chicago is a great way for your adolescent to become more familiar with our Middle School staff, Charles Martin and Anna Goldsmith, and future classmates while participating in the fun and exciting exploration of our great city. This week is great for incoming and current Middle School students as well as outgoing alumni. Students collaborate to determine destinations, and plan transportation and food, while budgeting expenses.

Discover Chicago ONE Week Experience

August 15 – 19, 2022

Hours: 8:30am – 3:00pm
